EXPERIENCE

Architech Labs — Tech Support & Frontend Developer Intern | Gurugram (DEC 2025 – MAY 2026)

- Provided technical support by troubleshooting software, system, and client-related issues through calls and remote assistance.
- Assisted in frontend web development including responsive UI design, bug fixing, and feature implementation.
- Collaborated with developers on testing, debugging, and API integration tasks for web applications. Improved application performance and user experience across multiple devices and screen sizes.

RESPONSIBILITIES

D.A.V College, Amritsar — Volunteer

(May 2022 – June 2023)

- Mentored high school students toward career opportunities.
- Organized workshops and collaborated with teachers and volunteers.
- Supported student growth initiatives and awareness programs.

PROJECTS

- **Study-Hub** [Live](#) / [Code](#)
— Developed *Study Hub*, a platform that helps students organize their time and manage tasks efficiently.
— Added hover effects and smooth transitions for better UX.
— **Tech:** React, Tailwind CSS, JWT Authentication, Node.js, Express.js, MongoDB, Vercel
- **Nexora AI** [Live](#) / [Code](#)
— Built an AI-powered workspace platform for modern teams with project management, workflow automation, and real-time collaboration features. Designed a responsive and scalable UI with smooth user experience across all devices.
— **Tech:** TypeScript, Tailwind CSS, Framer Motion, Firebase
- **Ochi** [Live](#) / [Code](#)
— Built *Ochi*, a presentation design agency website focused on clean UI and smooth user experience. Built responsive design supporting all device sizes.
— **Tech:** React, Tailwind CSS, Framer Motion

ACHIEVEMENTS

- 3× Winner – College-Level Quiz Competitions
- 2× Winner – Inter-College Quiz Competitions
- Participated in a National-Level Hackathon
